

Experiment No. 8

Student Name: Swapnil Gaurkar

PRN: 25070521504

Experiment Title

Develop a Gym Admission Form using HTML, CSS, and JavaScript. Validate user input through JavaScript events and display a successful admission message.

Software / Tools Required

- Visual Studio Code
- Google Chrome / Microsoft Edge
- HTML5
- CSS3
- JavaScript

Experiment Program Code

Files Used: index.html, style.css, script.js

index.html

```

Result

The Gym Admission Form was developed successfully using HTML and CSS. JavaScript was used to validate the form fields, display error messages, and show a success message after valid submission.
